The Valleyview Middle School Library Media Center is open most Tuesdays and Thursdays after school until the late bus. Students can use the library as a quiet place to do their homework, complete group projects, research or read and borrow books. All of the library's resources are available to students during this time.

Parent/guardian permission **must** be submitted before the student plans to attend. For your convenience, parent permission can be granted through the Parent Portal. This will allow a student to attend after-school library throughout the school year. **HOWEVER, STUDENTS MUST MAKE CERTAIN BEFORE THEY COME TO SCHOOL THAT THEIR PARENT/GUARDIAN KNOWS IF THEY PLAN TO STAY AFTER ON A PARTICULAR DAY. STUDENTS WILL NOT BE ALLOWED TO PHONE HOME FOR PERMISSION AT THE BEGINNING OF THE AFTER-SCHOOL LIBRARY SESSION. Students MUST sign up for after-school library during their lunch periods on any day they plan to stay.** If you are interested in providing this access for your child, please check the appropriate box on the Parent Portal.

After-school library will begin on Tuesday, September 17, 2019.
